Unidentified Caller

Minutes 5.27.20

First goal is to provide at least 2 design options for a new Village Hall that can be presented to board and public for input and potential decision

- New construction at park
- Refurbish the fire hall

Due diligence in hiring a contractor for design, budget development. Local – connection to Village and interests

- Gimme shelter recommended.
- Blenker is another option

To Do

- Josh can meet with both for perspective on cost, vision, rehab vs new
- Need assessment of existing properties to know how much we might be able to sell them for. - Lisa
- Fire hall is about 2x the size of existing hall
- Need to compile the list of attributes in the building that we want from past parks, plan, survey and other sources in the public record to establish a pie in the sky version. – Josh- Plan, Bobby individual respondent input from survey results

Next meeting tentatively 6/3/20 via Zoom
