

RESOLUTION 2009-1

VILLAGE OF NELSONVILLE

RESOLUTION IN OPPOSITION TO THE D.O.T. OPTION 1  
FOR HIGHWAY 10 FROM AMHERST JUNCTION TO STEVENS POINT

Whereas, this option would necessitate the removal of the Lake Emily-KK ramps with an impractical interchange plan at the KK-10 junction, and

Whereas, the route would entail the unnecessary usurping of farmland, and

Whereas, there would be extra cost to county and local governments on road maintenance for a 4 lane KK highway that is not really needed, and

Whereas, the plan was pushed through quickly without adequate time for boards to study the complications and for the populace to voice their opinions before decisions were made, and

Whereas, there is a general lack of faith that the D.O.T. will be able to comply with the conditions set forth by the county to support Option 1.

Therefore, be it resolved, that the Village Board of the Village of Nelsonville does hereby oppose the D.O.T. Option 1 route for Highway 10 even with the conditions set forth by the county.

Signed this 8<sup>th</sup> day of September, 2009.
